

River In The Heart

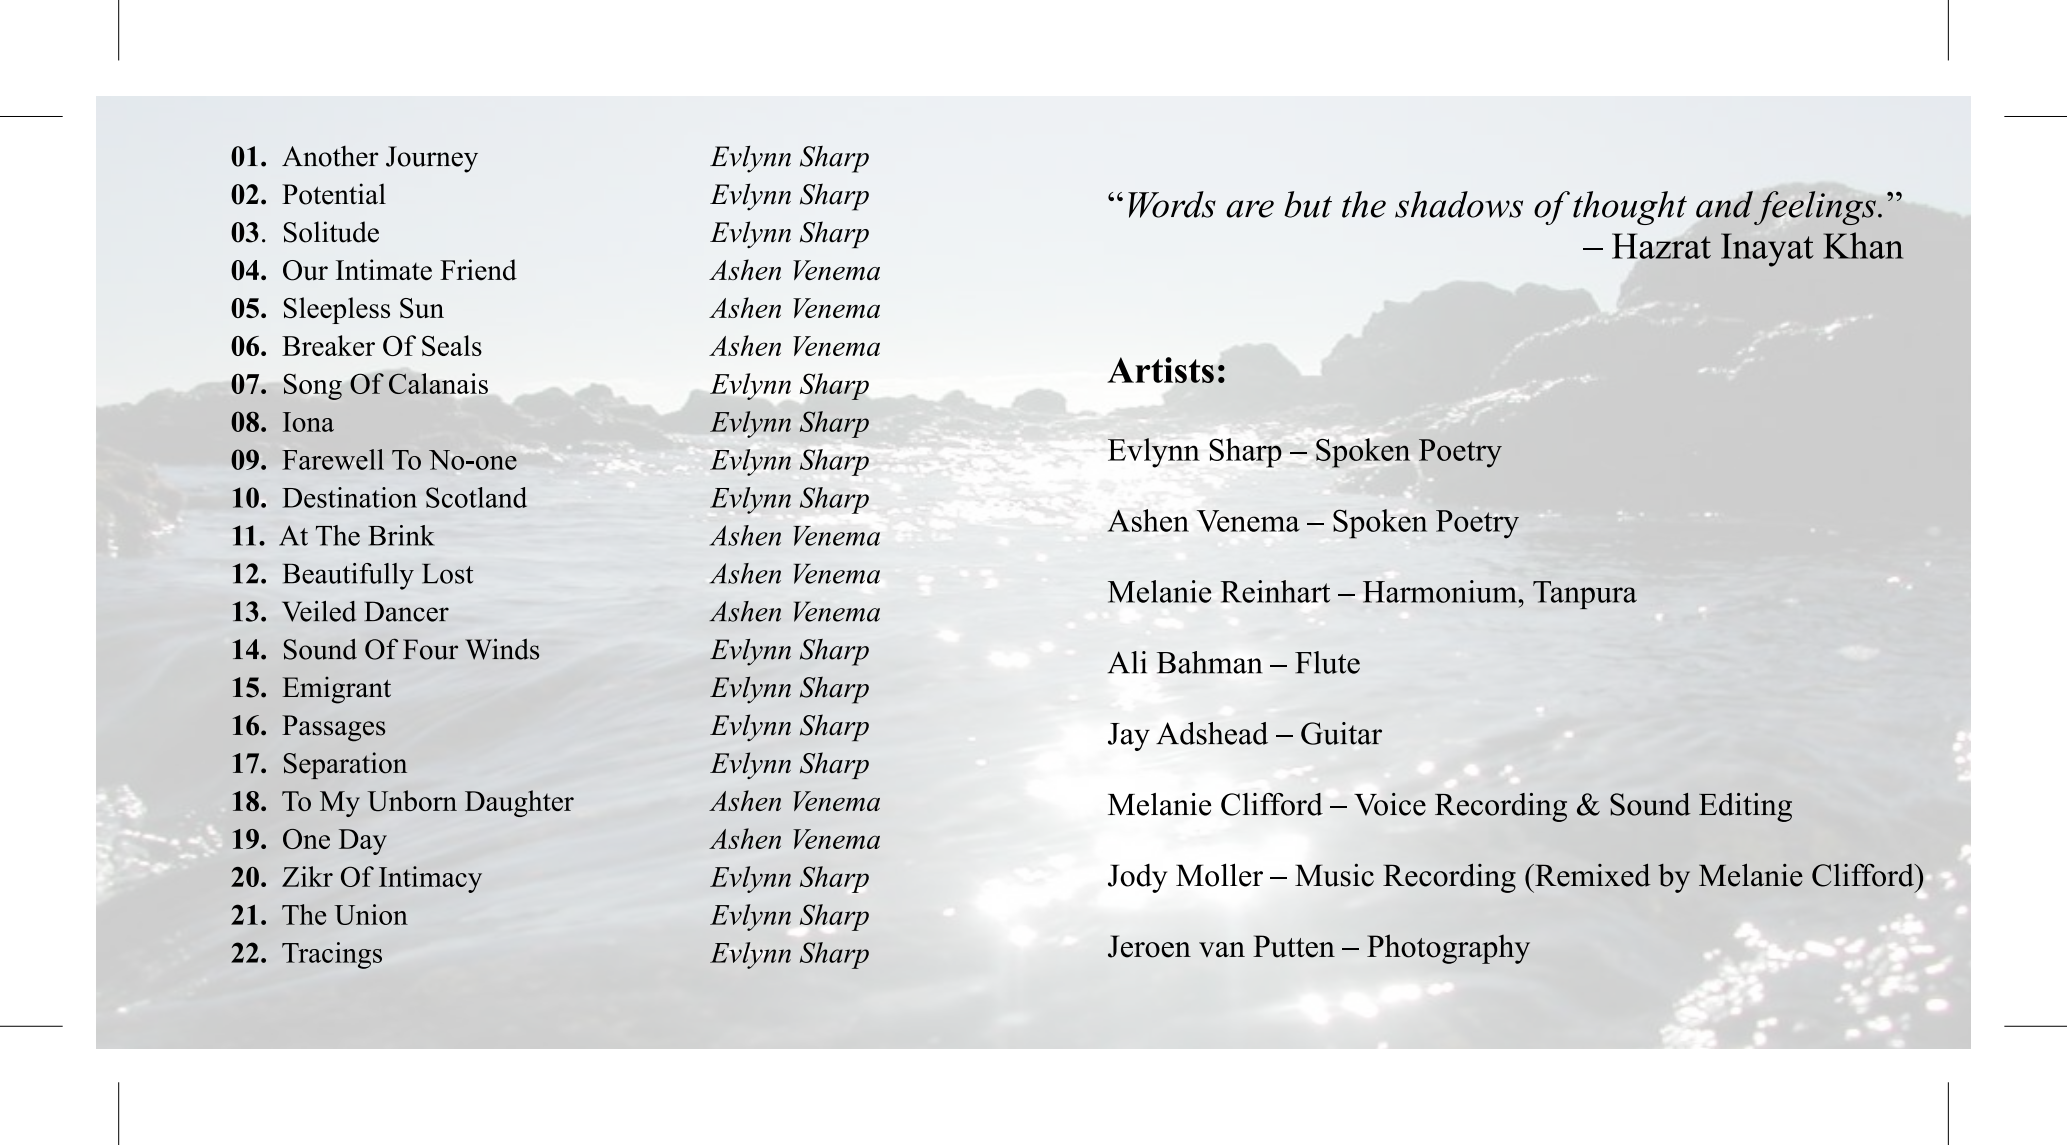

The poets would like to thank Melanie Reinhart, Ali Bahman and Jay Adshead for their fine musical interpretation in support of this production, and Jody Moller for his enthusiasm and work. Deepest gratitude to Melanie Clifford for her meticulous attention to detail in her sound recording and editing. With thanks also to Arts Council England and Hertfordshire County Council for supporting the writing of the *River In The Heart* sequence of poems.

A big thanks to Arch Ventures Press for supporting the release of this CD, to Jeroen van Putten for permission to use the photograph of the river, and to staff of London Metropolitan University's Media Centre at Tower Building for sound-recording facilities.
